

# THATS Foundation

The National Timber Harvesting and Transportation Safety

---

## Mission

To promote, support, and serve as a catalyst for safe and professional work attitudes, practices, and conditions in timber harvesting and transportation

## WHAT IS "THATS"?

Established in 1991, THATS is a charitable 501(c)3 organization. Administered by the Forest Resources Association, the foundation advocates safe working practices in the logging industry. This vital education benefits everyone from professionals harvesting the timber to the truck driver hauling the cut logs.

## HOW DOES "THATS" IMPROVE LOGGING SAFETY?

THATS provides resources such as:

- Brochure series summarizing basic forest operations and woodyard safety skills
- One year safety program committed to safety for new workers to educate and avoid injury
- Timber Harvesting Safety Manual and other educational materials
- Partners with Forest Resource Association and TEAM Safe Trucking
